## HELP ALLEVIATE THE YESHIVA TUITION CRISIS!

### Support new tax credit legislation.

Contact your local State Senators and Assembly members and support **The New York State Educational Tax Incentives Act - S.3101-B/A.6145-B.**

Under S.3101-B/A.6145-B, contributions up to \$500 per individual and up to \$35,000 from corporations made to approved scholarship funds will be eligible for a 50% tax credit.

Similar legislation has already been passed in Arizona, Florida and Pennsylvania. The passing of this bill can be a great early step in trying to alleviate the financial burden that Yeshiva tuitions place on Jewish families.

And supporting this legislation is just one of the many ways that **The Institute for Public Affairs** and **Young Leadership Cabinet** of the Orthodox Union are committed to working to solve the escalating Yeshiva tuition crisis.
