**An Overview of the Laws of Ritual Purity** by *Catriel*

For most people, the laws of purity and impurity ordained in Vayikra and Bamidbar, elucidated in the Mishna and codified by the Rambam are a total mystery... Can these seemingly arcane Torah laws be made comprehensible...? Communicating his knowledge in a highly effective way, Catriel Sugarman, noted lecturer on Mikdash-related subjects, has done virtually the impossible; he has brought an extremely complex and potentially boring subject to life! In a lavishly illustrated hour-and-a-quarter PowerPoint lecture replete with diagrams and pictures, Catriel walks the viewer through the intricacies of these complicated Halachot... Catriel concludes his presentation by suggesting a fascinating rational as to why these Chukim were ordained.

When America Needed Heroes, A Jewish Slugger Stepped To The Plate

The story of Baseball Hall-of-Famer Hank Greenberg is told through archival film footage and interviews with Jewish and non-Jewish fans, his former teammates, his friends, and his family. As a great first baseman with the Detroit Tigers, Greenberg endured anti-Semitism and became a hero and source of inspiration throughout the Jewish community, not incidentally leading the Tigers to Major League dominance in the 1930s

...with Walter Matthau, Alan Dershowitz, and others. Plus Mandy Patinkin's rendition of "Take Me Out to the Ball Game" -- in Yiddish! (90 minutes)
