"Tuesdays With Morrie"

Professor Morrie Schwartz is dying. But rather than feel sorry for himself, Morrie continues to teach. But this time it is his most important lecture. "When we learn to die, we learn to live."

This is the movie made from the mega-best selling book wherein Morrie instructs his former college pupil about life. He passes on to him - and to all of us - lessons about how to get the most out of the days we have, how to live with our families and others, and much more. Jack Lemmon in the title role is his always brilliant self. A very special film. (90 minutes)
