“V’Nikdashti - Kiddush Hashem from Churban Europe as Told by Survivors” (45 minutes)

**TUE APR 21 (Yom HaSho'ah)**

“**Judgment at Nuremberg**” This cinematic masterpiece is a recreation of the trial of the Nazi “judges” and asks the emotionally charged question - Who was responsible for the Holocaust? The story centers on the trial of four men who had been designated “judges” in the Nazi regime and who willingly distorted the law to perpetuate the greatest atrocity ever committed against humanity. An extraordinary cast - Spencer Tracy, Burt Lancaster, Richard Widmark, Marlene Dietrich, Judy Garland, Maximilian Schell, Montgomery Clift, and William Shatner - makes this movie a film classic. Nominated for 12 OSCARS including Best Picture... powerful, thought provoking film experience (3 hours)
