I understand that while the Torah is fully insured by (Synagogue Name), I am completely responsible for taking total care of the above Torah during the time it is in my control and custody. I further understand that I am responsible for a \$1,000 deposit to be given to the Shul. This deposit will be returned to me upon the safe return of the Sefer Torah. If any damage has occurred, the monies will be taken from my deposit which could be as much as the \$1,000 to cover the deductible that (Synagogue Name) would have to pay in the event of a claim. I also acknowledge, that there is a suggested donation of \$180 or more for Tomchei Shabbat. The check should be made payable to RDF.
