RAMIDBAR R. GOLD
1. HASHEN spoke to Moses in the Wilderness of Shal, in the Tent of Meeting, on the first of the second month, in the second year after their exodus from the land of Egypt, saying:

2. "Take a census of the entire assembly of the Children of Israel according to their families; according to their fathers’ household, by number of the names, every male according to his head count. 3. From twenty years of age up — everyone who goes out to the legion in Israel is a man from each tribe; a man who is a leader of his father’s household.

Ramban

Census in the Wilderness

The Tribal Leaders — you shall count them according to their legions, you and Aaron. And with you shall be a man from each tribe; a man who is a leader of his father’s household.

A song of ascents. When HASHEM will return the captivity of Zion, we will be like dreamers. Then our mouth will be filled with laughter and our tongue with glad song. Then will they declare among the nations, 'HASHEM has done greatly with these.' HASHEM has done greatly with us, we were gladdened. O HASHEM — return our captivity like springs in the desert. Those who tearfully sow will reap in glad song. He who bears the measure of seeds walks along weeping, but will return in exultation, a bearer of his sheaves.
